Kindergarten Graduation Ceremony

Congratulatory celebrations continued for two whole weeks in the Loyola campus as the little kindergarteners culminated their preschool years and now are all set to begin the next stage of their educational journey! Throughout their preschool years, they developed their senses, language and their skills by putting in their heart and soul & have started shaping their personalities!

Congratulating these young minds, Mr. Girish Jain – Chairman of Doha chapter of Chartered Accountant of India and Head of Finance of Indian Cultural Center along with the Principal of Loyola International School Mr Pramod Kumar Ranwaka graced the occasion.

Looking at these little ones receiving their certificates and their scrolls in their graduation robe, we can not be any more pleased! We are extremely proud to see how these little ones have grown out of their cocoons and have started flapping their wings! Loyola International school congratulates each of them and wishes them the best of luck for their colourful and spirited journey ahead!
