Dear Parent,

Greetings from Loyola International School!

As you are aware that the School's Half Yearly Examinations are scheduled from 13<sup>th</sup> September 2022, we would like to brief you on the same.

Since your ward has joined the school in the month June/ August (second term) of the current Academic year (2022-23), he/she has not attended Term- 1 (April to June 2022) of the current Academic year and therefore it is not mandatory for your ward to attempt the Half-Yearly examinations. However, to get well versed with the school's examination system, we suggest that your ward attempts the exam.

Note: Previous lessons' (Term 1) study material is available on the school portal, alternatively you can ask the same from the class teacher as well.

We hope this helps. Have a nice day ahead!

Best regards,
