Dear Parents,

Greetings from Loyola International School!

Thank you for choosing Loyola International School – Oasis Branch. We are part of a Group of Institutions that have been developed and strengthened over a long time with 7 full-fledged schools, 2 Engineering Colleges, a Pharmacy College and MBA Colleges established with an excellent record of academic success in India. We started our first school in Qatar, “Loyola International School - Al Nasr Campus”, in September 2014, with an aim to provide holistic education with comprehensive facilities to develop our students’ overall personality and acumen.

In March 2019, we established our second school, “Loyola International School - Oasis Campus”, in a world-class, state-of-the-art sprawling campus spread over 20,000 sqm in the Ezdan Oasis community, in Al Wukair.

Both our campuses have been licensed by the Ministry of Education and Higher Education and are affiliated with the Central Board for Secondary Education (CBSE), India.

To give more details and information about our institution, we have organized an Orientation Program for all the Parents of our newly admitted students.
