

LOYOLA INTERNATIONAL SCHOOL

IGNITED MINDS

Welcome to the Closing Chapter of an Extraordinary Year

Welcome to the first newsletter of the calendar year and the grand closing chapter of this academic session. This edition is filled with moments that felt big, bold, and unforgettable – annual competitions, farewells, graduations, field trips, the Annual Athletics Meet, and milestones that electrified the energy of our campus

Every page carries the spirit of a year that refused to be ordinary. As you turn through these highlights, we hope you relive the applause, the nervous excitement, the victories, and the quiet achievements that made this year truly memorable.

A Season of Milestones and Momentum

Grade 12 Graduation : Stepping Forward with Purpose

The Class of 2025-26 marked a defining milestone as they walked the red carpet, received their graduation certificates, and stepped into the next chapter of their journey. Graced by Shri Sandeep Kumar, Deputy Chief of Mission, Indian Embassy, and led by Principal Ms. Bhavana Vijaykumar, the evening celebrated achievement and the strong partnership between school and parents.

Heartfelt words from parents and alumni reflected Loyola's inclusive spirit and forward-thinking approach, while the ceremonial cake cutting marked a proud close to twelve years of learning and a confident beginning beyond school.

KG Graduation

At Oasis Campus, our Kindergarteners walked into their graduation ceremony with bright eyes and determined little steps, hand in hand with the teachers who guided them through their first school year. Held in thoughtfully planned sessions, the celebration gave every child their moment on stage, in front of family, under warm applause.

As scrolls were received and tiny voices shared songs and “Words from a Little Heart,” the message was simple: they are ready. Ready for Grade 1, ready for bigger classrooms, ready for new questions, carrying with them confidence built gently, day by day.

Annual Athletics Meet

At Al Arabi Stadium, the Loyola flag rose and so did the noise. Houses called out to their runners, spikes hit the track, and months of practice unfolded race by race. The torch relay and march past set the tone, but once the whistle blew, it was all about focus, timing, and that final burst toward the finish line.

Sprints, relays, jumps, and throws kept the scoreboard shifting through the day as more than 1200 students from Oasis and Al Nasr competed with grit and house loyalty. Medals were earned, not handed out. Lifting the Best House trophy marked the close of a day built on effort, discipline, and collective pride.

Platforms for Every Voice : Annual Competitions at Loyola

This season, Loyola created space for every age group to step forward. From our youngest learners to senior students, teachers, and parents, there was space created for every member of the community. Through interschool platforms and internal milestones, the message was simple: everyone belongs on a stage somewhere.

Busy Bees (Inter School Competitions for KG – Grade 2)

With colouring sheets, story prompts, Math Bee rounds, and Spell Bee challenges, our early learners took their first competitive steps in an atmosphere that was joyful yet purposeful – building confidence that will carry forward for years.

VARNA 3.0 – Inter-School Art Competition (Grades 3-12)

Welcoming 60 participants from 19 schools, VARNA once again brought serious artistic talent to the Oasis Campus. By the end of the morning, blank sheets had turned into bold ideas, thoughtful, unexpected, and entirely their own.

LIS Toastmasters – 1 Year Annual Speech Contest (Teachers & Parents)

Marking one year of the LIS Toastmasters Club, the Annual Speech Contest celebrated teachers and parents who chose to stand up and speak. Stepping beyond comfort zones and speaking with conviction, they strengthened a culture of thoughtful communication within the Loyola community.

Inter Campus Competitions

When students from Oasis and Al Nasr Campuses come together, it is shared learning that happens through competitions. Our Inter-Campus platforms create opportunities for students to observe one another, raise their standards, and grow through healthy comparison.

Storytelling Competition

Through expressive narration, voice modulation, and stage presence, students demonstrated that communication at Loyola is intentionally nurtured, building clarity of thought and confidence in expression.

Qur'an Recitation Competition

With focus on Tajweed, pronunciation, and reverence, the competition reflected Loyola's commitment to nurturing faith, discipline, and strong moral grounding alongside academics.

Republic Day Celebration - Honouring the Spirit of the Constitution

Republic Day marks the day India chose to be governed by its own Constitution, committing to justice, equality, and democratic values. With the unfurling of the National Flag, followed by a special assembly and themed activities across grades, students engaged with the significance of the day, understanding that freedom carries responsibility.

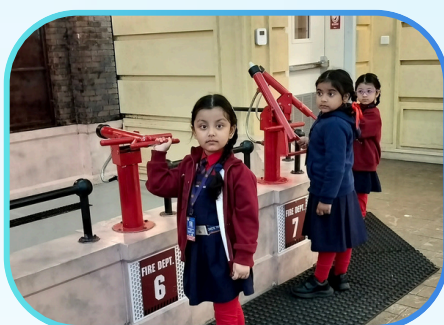

Celebrations!

The **Harvest Festival** was marked through a special assembly led by the Telugu and Tamil departments, where students reflected on why this time of year is celebrated – to honour nature, respect labour, and express gratitude. Through traditional performances and storytelling, the celebration became a reminder that culture is not observed from a distance at Loyola; it is experienced, understood, and carried forward.

Fun Trips

At Loyola, holistic education includes shared laughter, strengthened friendships, and moments that build camaraderie, because growing up well means learning, connecting, and enjoying the journey together. From KG to Grade 3 exploring real-world roles at KidZania, Grades 4 and 5 building teamwork at Angry Birds World, to senior students experiencing challenge and thrill at Doha Quest, each trip created something special for the kids

Strengthening the Learning Ecosystem

While students were on stage and on the field, our leadership and faculty were equally engaged in strengthening how we teach, assess, and innovate. Continuous improvement is not an occasional effort at Loyola; It is built into the way we think about education and the kind of learners we hope to shape.

CBSE Gulf Sahodaya Principals' Conference

As an organising member of the 38th CBSE Gulf Sahodaya Conference in Kochi, Loyola participated in key discussions on curriculum evolution, the upcoming CBSE Global Curriculum, and purposeful technology integration – reinforcing our commitment to collaborative leadership and future-ready schooling.

CBSE Capacity Building – Competency-Based Assessment

Our English faculty engaged in CBSE-led training focused on moving assessments beyond memory-based responses, strengthening classroom practices that encourage application, interpretation, and authentic student voice.

AI Integration Workshop

Through advanced training in Artificial Intelligence integration for senior grades, our IT educators explored practical ways to embed AI, data, and emerging technologies into learning – aligning classrooms with national policy shifts and tomorrow's skill demands.

Beyond the Campus

This season, our students stepped into larger spaces engaging with culture, heritage, environment, sport, and reflection. These experiences widened their perspective and deepened their understanding of the world they are growing into.

Qatar Halal Festival

At the Qatar Agricultural Exhibition, students explored natural farming, livestock heritage, and the cultural meaning of “Al-Halal,” gaining insight into Qatar’s traditions and sustainable practices through direct observation and interaction.

Sprouts Scouts Program – Heenat Salma Farm

A day at Heenat Salma Farm allowed students to learn hands-on about soil, sustainability, and interdependence, strengthening environmental awareness and responsibility through lived experience.

Qatar Olympic & Sports Museum

Our Scouts and Guides participated in the Sports Festival at the Qatar Olympic and Sports Museum, experiencing the history of global sport and the values of teamwork, and perseverance that define it.

World Hindi Day

At the World Hindi Day celebrations organised by the Embassy of India in Qatar in collaboration with Amrit UP Navrang Sanskritik Mandal, our students represented Loyola through expressive performances that honoured language as identity, culture, and connection.

Exams with Perspective

Through the screening of **Pariksha Pe Charcha** and our **Blessing Ceremony** for Grade 10, students were reminded that examinations are milestones and not measures of worth. They were encouraged to approach them with preparation & perspective, and assured them of the steady support of a school that believes in them.

To all our students, remember that your effort and growth matter deeply. We are proud of the focus and maturity you continue to show, and we stand beside you at every step.

Celebrating Our Champions

When we invest in excellence, results speak for themselves
We take immense pride in our students' achievements, both inside and outside Loyola:

Tejas Puri
Praneet Nilesh
Saurabh

Shortlisted for finals of
Macmillan Budding Scientist 2025-26
from Middle East Zone
making us the **ONLY** school selected from Qatar!

Poorav Rana (Grade 5D)
Krina Hardik Chaudari (Grade 6A)
Hemanth Poluru (Grade 4A)

Third Prize
Al-Khawarizmi Mathematics Competition

Rauf Ahmed & Shreyas Reddy

Guide Teacher: Ms. Vanitha

Top 10 - Qatar Children's Science Congress

Organised by Science India Forum

Project Title: Li-SatNet (Light-Based Satellite Internet)

Sub-Theme: Rocket Science & Space Navigation - Decoding the Science Behind Space Travel

Akshan Raguram & Kia Kirankumar Panchal

Guide Teacher: Ms. Rushda Jamsheer

Thank You

As exams progress and results await,
we send our students our very best wishes.
May you carry forward the confidence built this year
and trust the effort you have invested.

To our parents, teachers, and the entire Loyola community,
Thank You for walking this remarkable year with us.
We now look ahead to the new academic year
with fresh energy, new goals,
and the same shared commitment
that keeps Loyola moving forward.
